DYK...The Chamber of Commerce through its Visitor Centre operations gives out more than 20000 copies of the 'ADVENTURE GUIDE' every year. The guide (it's not a map) showcases more than 75 local businesses plus another 50 or more attractions. We are currently finalizing plans for the 4th edition of this very successful product. Are you in it? Remember, visitors want to know what's available for them. They want to see where to stay, where to eat, where to shop, where to play and what to do. CALL US IF YOU WANT TO BE INCLUDED. Here is a link to version 2. [Scroll down](#)
