Easter event

# Alberni Valley Hospice Society

- Operating since 1982
- 154 Volunteers involved right now
- 8 Paid Employees including 3 FT positions
- 8 Different Focal Points of the Society including Ty Watson House but also Grief Counselling, Early Onset Memory Loss, Reflections program and more
- One of 11 Hospice' on Vancouver Island
- First of its kind – initial challenges due to the unique concept but today it is admired and desired by all

# Alberni Valley Hospice Society

## ◉ Hospice Stories:

- A woman near end of life was about to miss her daughter's wedding. Hospice along with family and other supporters held a beautiful Mock Wedding at the facility for the woman to be part of.
- Another woman near end of life was a lover of classical music. Hospice staff found a Professional Harpist who came to the house at N/C to perform for the woman.
- A fellow was in the house who was an avid fan of the AV Bulldogs. The team found out about it and the entire team visited the house to comfort the man.
- A woman who loved 'Timbits' was hoping to get some so staff went to TH only to find that none were available. The owner of TH – Stefanie Weber found out and immediately made some herself for the woman

# Youth of the Year

Sponsored by:

# Theresa Gingras

# Theresa Gingras

- Lead Student for the joint ADSS/Chamber of Commerce Food Guide coming out this May
- Theresa led the conversation with Houle Printing on their site in October 2015
- “She works well independently, knows how to collaborate with people in her groups to get tasks done, and is a solid student who maintains good grades. “
- Anne Ostwald – ADSS Civic Studies Teacher

# Theresa Gingras

- She helped fund raise for a school trip/project recently by volunteering at a Rotary function.
- Theresa belongs to the ADSS school band, is travelling to Cuba where she will be helping to donate clothes and musical instruments to those less fortunate.
- She has a business or legal (possibly forensic?) future in mind, with post secondary plans including going to Berlin, Germany where she can live with relatives while studying, or alternatively may do her post secondary more locally at VIU.

# Oliver Witham

# Oliver Witham

- Oliver became involved in ADSS United Nations club (CAIMUN---Canadian International Model United Nations) two years ago, has gone to Vancouver for meetings and workshops, has helped it develop and grow.
- Oliver has also been involved for the last three years as a facilitator with a Junior Youth Empowerment Program - a place for 11-14 year olds to learn how to make healthy choices, empowering them to make a positive difference in both their community and personal lives.

# Oliver Witham

- Future plans include University, for which he has several applications (some already accepted) in B.C. and Ontario.
- Possible career path will be in Mechanical Engineering (Mechatronics)
- Oliver enjoys:
  - Badminton, photography, videography, volunteering

# Kayla Caddy

Dancing

Fishing

# Kayla Caddy

- Enjoys Soft Ball, Hockey, Basketball, loves baking, sewing, hiking.
- On the academic side she loves researching, psychology, reading.
- Kayla volunteers with a physiotherapist at our Hilton Center helping out with children aged 4-5 years.
- She also has volunteered at the hospital, visiting seniors that are on medical floors.

# Kayla Caddy

- Kayla sees her future in medical field, either in Pediatrics or Neurology.
- She is currently enrolled in some courses at NIC as a lead in those plans, taking courses in Psychology and English.
- She is already accepted at UVIC for a major in psychology and/or biology.
- Started up her own informal non-profit initiative two years ago, producing products for hospital therapy patients.
- Sews gift bags, toques, provides colouring books, pillow cases, providing a multitude of items ---including rice krispie squares ----- primarily for children who are undergoing medical issues in Victoria.

# Kayla Caddy

- *“Kayla is an absolute sweetheart who puts her heart and soul into every task she undertakes, from researching the history of Ireland and bringing it to life to crafting a human-sized figure complete with brains, kidneys and bones!”*
- *Ms. Anne Ostwald – ADSS Civic Studies*

# Hertel Meats

# Hertel Meats

If this doesn't make you  
hungry

Find dr. lund

# Hertel Meats

- ⦿ Started in 1963
- ⦿ Business is now 53 years from the same location
- ⦿ Started by Tom Hertel with help from his father
- ⦿ Managed by Ron Caldwell who is son in law to Tom
- ⦿ Many Staff have been with the company for decades
- ⦿ Some for upwards of 40 years

# Hertel Meats

- ◉ Started as a Wild Game Slaughter business
- ◉ Were heavy into hog & cattle slaughter for some time employing upwards of 70 people
- ◉ Handled more than 1400 hogs per week plus 100's of sheep
- ◉ Bought equipment and hired staff from Island Meat Packers from Victoria as initial expansion
- ◉ BCE Issue changed the industry
- ◉ Hertel had safe practices but due to new rules and regulations it became impossible

# Hertel Meats

- Hertel's continued with contracts and then as they expired they in turn moved toward a new business model of smoking and curing meats
- Eventually they moved completely away from the Slaughterhouse and today that concentrate entirely on selling meat products
- Customers today include: Sponsor of this award – Save On Foods, Thrifty Foods, Fairway Market, Country Grocer, Quality Foods and many others

# Hertel Meats

# DBA Silencing

DBA Silencing is a Manufacturer of  
Industrial Exhaust Systems, Air Intake  
Systems and Mufflers for the Mining,  
Marine and Logging Industries.

# DBA Silencing

- ◉ DBA – Designed by Archie.....?
- ◉ No really it stands for decibel Acoustics Silencing
- ◉ It's all about silencing muffler/exhaust systems
- ◉ Archie moved to Port Alberni from Montreal in 1959
- ◉ First foray into business here was with Handy Andy
- ◉ He expanded by purchasing MGM Rentals around 1972
- ◉ The business grew to include automotive muffler systems at the building now occupied by DBA Silencing

# DBA Silencing

- Got involved with higher end muffler systems eventually moving to mining trucks
- Most mining trucks were single exhaust which caused problems in the fields.
- Archie's team then converted to dual exhaust
- In 1973 the muffler shop bought out DBA who were on Anacis Island and struggling
- DBA subsequently moved to Port Alberni under Archie's lead
- Today the company imports materials from worldwide sources including Scandinavia, France, Germany and other Countries

# DBA Silencing

- Customers are on every Continent and many countries within those Continents
- The company does a lot of work with Liebherr Trucks and is a main supplier of its heavy equipment servicing mines worldwide
- They are the industry leader in custom industrial exhaust, air intake and coolant systems for the mining, logging and marine industries.
- Their exhaust systems can withstand heat to 2400 degrees – much better than

# DBA Silencing

- DBA employs 18 local people all of whom earn a good living in Port Alberni
- This business does almost all of its sales outside of Port Alberni and could easily pick up and leave.
- Archie will not consider that.

# DBA Silencing

It looks nice...?
